

Princess Anne French Immersion Public School

October 23, 2020

Spirit Days

Our first School Spirit Day this year will be Friday, October 30, 2020. The theme is “Black and Orange Day”. Please have your child(ren) wear black and orange clothing/accessories.

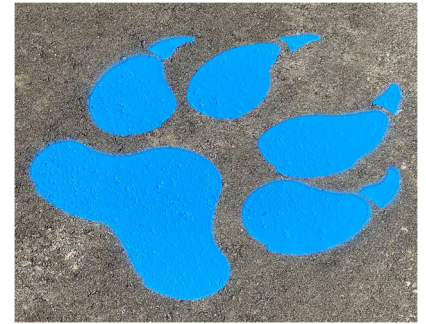

October 30 also happens to be the day before Halloween. Although Halloween-themed activities may be presented and completed in class, they must still be curriculum-based. Furthermore, if your child(ren) would like to wear a costume they may, but the costume must be appropriate for school and not interfere with them wearing their cloth mask. This means that clothing cannot have or suggest inappropriate language, images or graphics. Students cannot wear fake blood or bruises for makeup, or bring any accessories or props that resemble any type of weapon – sword, knife, gun, etc.

With the new updated protocols, students may bring in treats to give to their classmates; however, they must be pre-packaged and individually packaged. If students open/eat the treats at school, they will practise safe hand hygiene protocols.

School Council

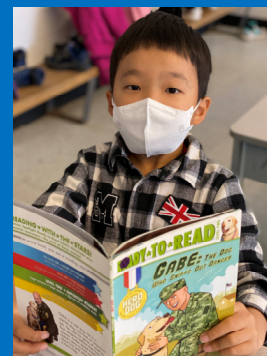

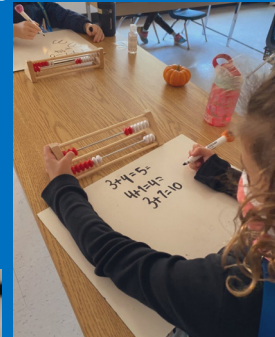

Let's work together to keep PAFI safe and the best it can be! For more information, please visit <https://www.tvdsb.ca/en/parents/school-councils.aspx>. If you are interested, please e-mail us and we will be in contact with you.

Forts et fiers (Strong and Proud)

We are proud of our teachers who continue to create conditions for learning for our students even during these different times!

Principal: Mme Connie Cordes
